

NONPROFIT PITCH RUBRIC

Assignment description and directions:

You will give a 5-7-minute presentation on your nonprofit organization. This should NOT be a repeat of the portfolio. Instead, focus on telling a concise story about the social problem your nonprofit organization is trying to solve, and the work that donation dollars would go towards in solving that problem. This is your presentation; you can incorporate what you'd like into it. However, I should leave the presentation knowing who your nonprofit is, what it does, and inspired to donate to your organization. The pitch will be worth 25% of your grade, or 250 points.
